Description

A 75 Foot Motor Cruiser Singapore flagged.

Of all of the Bondway Cruiser constructed, this 75 is reported to be the only one specifically designed for ocean passages. An additional 7 layers of FRP was laid in with additional transverse framing for significant stiffening of the hull. The boat sailed on her own power from Hong Kong to Thailand and have added many additional features such as a bow thruster, a 22 kw power generator and a davit crane for launching a jet ski or the RIB.

She has been refitted in April 2016 with fuel tanks and engine room cleaning, new paint and anti-fouling. Ideal for a weekend home fractional ownership and large charters she has sufficient space for larger

gatherings, corporate events, solemnization, cocktail parties, sunset cruises etc. -

The vessel is air conditioned throughout .The open, bright and airy inside space offers 3 staterooms and 3 baths in approx. 1,800 covered square footage.

The main salon has plenty of natural beam, spacious accommodation, a dining area and a home theatre unit with a concealed flat screen TV on an electric lift.

A huge kitchen:

From the main deck living compartment, a half-beam of steps lead down with extensive stowage and all modern stainless appliances, including Sub-Zero refrigerator & freezer drawers, Siemens dishwasher, diameter and oven, convection microwave oven, wine fridge and much more.

There is a breakfast pub area with stools to sit and chat it up with a very proud and happy host / hostess while waiting for the blender to render.

Full beam sliding doors open onto the large aft balcony.

Master Stateroom

Aft along the main corridor is the massive, full-beam master suite with built-in stowage, large bath with double rain shower and space for a sofa or seats. Aft of the master suite are two opening hatches for swim floor access.

VIP stateroom

Forward of the kitchen is a very nice VIP cabin with ensuite bath with rain shower, built-in drawers and wardrobe and a large under-sole stowage area for items like suitcases, coolers, etc.

Down a half-beam of steps is the very nice lounge area with bookshelves, ambient beaming, home theatre unit, a lounge accommodation area and an area for a study or office.

Guest Stateroom

Aft along the centerline corridor is a large cabin with queen cot and considerable stowage. Across from the visitor compartment is a full bath with rain shower and a concealed laundry washer / dryer.

Fore deck and swimming platform

From the living compartment, there is access to the foredeck through side doors and broad, covered side decks. There are concertina doors that open all the way to expand the saloon to include the lovely aft terrace with integrated accommodation for 10.

From the aft terrace steps lead to the swim floor and a beautiful teak and stainless steel circular stairway to the spacious flybridge.

On the flybridge, there is a wetpub with refrigerator and a built-in entertaining area with Gaggenau grill, griddle and accommodation for 12 or more. The aft end of the flybridge has a jacuzzi and additional lounging area that can accommodate another dozen or so people. The forward helm permits an excellent view of the waters ahead and of the horizon in all directions. The Sunbrella bimini provides shade without reducing the amazing views or cooling sea breezes.
