

# PRINCESS 65

## SPECIFICATIONS

Reduce Price : ~~500,000~~ 350,000 USD

Year : 2001

Located in : Phuket

Hull Material : Fiberglass

Engine/Fuel Type : Diesel

YW# : 58089-2969752

Isabella Rose is available at this knock-down price for a quick sale.

A steady, reliable 'old girl' capable of cruising speeds of 27 knots and a top speed of 32 knots.

She underwent a recent mini-refit in December 2017 by Asia Marine-The boat's current Management Company, with new anti-fouling, anodes etc, as well as a new teak swim platform, new anchor & chain and new exterior and flybridge cushions.

With a little further TLC and cosmetic input, she will certainly look the part.

20/99, Moo.2 Boat Lagoon Marina Soi 6, Park Plaza A, Thepkasattri Road, Koh Kaew, Muang, Phuket, 83000, Thailand

# PRINCESS 65

## Additional Description

24 Volt: 4 x heavy-duty batteries for engine starting \* 6 x heavy-duty auxiliary batteries \* Engine alternators charge via relay system to isolate engine start batteries from auxiliaries \* 95-amp 24v float battery chargers plus one 60-amp 24v float load supply unit, chargers are connected to both battery banks \* Remote battery master switches with control switch at main switch panel \* Circuit breakers on all circuits \* 12v voltage dropper for certain navigation and radio circuits. 220/240Volt: 11kW generator in own soundshield with water-cooled and specially silenced exhaust \* Automatic fire extinguisher situated by generator \* Shore support inlet \* Generator/shore support change-over switch \* Polarity check system \* Earth leakage safety trip \* Circuit breakers on all circuits \* Power points in all cabins \* Shaver points in all bathrooms.

## Additional Description

Avonite (or similar) worktop \* Ceramic 4-ring hob \* Extractor fan \* Combination microwave/conventional oven with grill \* Twin-bowl stainless-steel sink with mixer tap \* 2 side-by-side undercounter refrigerator/deepfreeze units \* Icemaker \* Dishwasher \* Waste disposal bin \* Overhead and concealed lighting \* Drawers and storage cupboards.

## Additional Description

\* Twin fuel tanks (in N4 marine grade alloy) with interconnection system giving 800 gallons (3636 litres) capacity \* Fuel fillers on port and starboard side decks \* High-capacity duplex fuel filters with water traps and change-over valves, water warning sensors connected to warning lights at lower helm and audible alarm at flybridge \* Remote fuel cocks in cockpit locker \* Fuel gauges at main helm console. WATER SYSTEM \* Water tank totalling 144 gallons (654 litres) plus 16 gallons (73 litres) hot water calorifier \* Water heated by engines and 240v immersion heater \* Automatic water pump with filter \* Main circuit breaker at 240v switch panel \* Water level gauge \* Deck filler \* Vacuum freshwater WC system with 60 gallon (273 Litre) holding tank, content gauge and electric overboard discharge with manual back-up system as well as dockside discharge system. FIRE EXTINGUISHERS \* Automatic fire extinguishers in engine room and generator space \* Hand-operated fire extinguishers (6) in owner's stateroom, port and forward guest cabins, galley, main helm and occasional cabin \* Additional extinguisher fitted when optional aft cabin is specified. BILGE PUMPS \* Automatic electric bilge pumps (with manual override) in engine room (2), rudder area, lazarette and forward accommodation (3 in all) \* High-capacity manual bilge pump with valve system and suction points in same areas \* Electric bilge pumps have controls and warning lights at main helm and warning light with audible alarm at flybridge helm.

## Additional Description

POWER AND DRIVE SYSTEMS \* Engine room soundproofed \* High-volume air intakes \* Engine room extractor fan with electronic time delay \* Engine exhaust silencers and water-cooled exhausts \* Solid engine beds integrally moulded with hull for strength and vibration absorption \* Fore and aft engine room bulkheads integrally bonded \* Engines flexibly mounted \* Automatic fire extinguishers \* Automatic and manual bilge pumps \* Engine room lighting \* Engine room access hatch and ladder \* Propeller shafts in Temet with flexible shaft logs \* 4-bladed Aquafoil propellers in nickel aluminium bronze \* High-speed balanced rudders \* Cathodic protection for sterngear \* Sterngear, engines, fuel tanks, fillers etc, all electrically bonded \* Hydraulic power-assisted steering system \* Hydraulic engine and gear shift controls (electronic optional) \* Bow thruster (11hp) with dual-station controls \* Freshwater supply point in engine room.

## Additional Description

\* Modified deep V with moulded spray rails and incorporating propeller tunnels for improved propulsive efficiency and reduced draft \* Hand-laid glass-fibre construction with isophthalic gelcoat backed by initial lay-up of powder-bound matt and isophthalic resin \* Integrally bonded girder stiffening system \* Hull antifouled \*
