

PRINCESS 65

SPECIFICATIONS

Reduce Price : ~~500,000~~ 350,000 USD

Year : 2001

Located in : Phuket

Hull Material : Fiberglass

Engine/Fuel Type : Diesel

YW# : 58089-2969752

Isabella Rose is available at this knock-down price for a quick sale.

A steady, reliable 'old girl' capable of cruising speeds of 27 knots and a top speed of 32 knots.

She underwent a recent mini-refit in December 2017 by Asia Marine-The boat's current Management Company, with new anti-fouling, anodes etc, as well as a new teak swim platform, new anchor & chain and new exterior and flybridge cushions.

With a little further TLC and cosmetic input, she will certainly look the part.

Seating Capacity: 16

Manufacturer Provided Description

These are just some of the comments that greeted the Princess 65. With her long low lines and a beam of over 5 metres, the 65 is certainly something different. A high speed motor yacht with stunning good looks, amazing performance and superb accommodation.

Additional Description

INTERIOR FINISH * Furniture finished in a choice of natural cherry or classic cherry with clear lacquer finish and marquetry inlay * Console area finished in burr * Galley units fitted with Avonite (or similar) worktops * Laid-timber galley floor * Choice of upholstery fabrics, carpets and curtains from co-ordinated range. OPTIONAL AFT CABIN * 2 full-size single berths * Hanging and storage space * Downlighters and individual berth lights * Opening portlights * Bathroom/WC compartment with vacuum freshwater WC, shower and washbasin.

Additional Description

* Self-draining * Teak-laid deck, steps to side deck and stairway to flybridge * Upholstered seat * Hatch on gas strut to lazarette stowage, hatch to engine room access * Life raft stowage locker * Cockpit cover * Twin transom doors leading to bathing platform * Side lockers for fenders * Twin electric-powered sternline docking winches in port and starboard coaming lockers, with rope storage * Locker housing 220/240v shore support inlets and shoreline stowage * Stainless steel handrails * Transom bathing platform with foldaway swimming ladder, hot and cold shower, deck light and concealed electro-hydraulic crane for tender launching and retrieval * Electro-hydraulic telescopic passerelle (2.8m - with remote control). FLYBRIDGE * Helm position with repeat engine instrumentation and controls * VHF/RT * Audible and visual alarms for bilge pump and fuel filter as well as engine systems * Log, depth and GPS repeaters * Folding chart table * Large U-shaped seating area for 6/7 with table * Wet bar with refrigerator and electric barbecue, storage, sink and hot and cold water supply * Loudspeakers linked to saloon hi-fi * Access from cockpit via GRP hatch, forward access from saloon via door * Wind deflector screens * Stainless-steel handrails * Deck-level lighting * Instrument and seat covers * Twin matching whip aerials for VHF/RT and radio * Bronze perspex screen across aft end of flybridge * Sunbed cushions * Optional flybridge crane (NB: if crane is fitted the perspex screen is not fitted and sun cushions are provided for the foredeck in place of the flybridge).

Additional Description

DECK SALOON * U-shaped sofa with coffee table * 2-seater sofa opposite * Sideboard units incorporating refrigerator, bottle and glass storage, multi-standard TV/DVD/VCR * Entertainment centre incorporating TV/radio/DVD/VCR linked to hi-fi surround-sound system * Exterior speakers with interchange Large double bed with quilted bedspread * Dressing table * Wardrobes and shelves * Stereo CD/radio * Downlighters, concealed lights and individual berth lights FORWARD STATEROOM * Large double bed with quilted bedspread * Dressing table * Wardrobes and shelves * Storage drawers and locker * Opening portholes * Deck hatch with sliding blind

PRINCESS 65

Additional Description

24 Volt: 4 x heavy-duty batteries for engine starting * 6 x heavy-duty auxiliary batteries * Engine alternators charge via relay system to isolate engine start batteries from auxiliaries * 95-amp 24v float battery chargers plus one 60-amp 24v float load supply unit, chargers are connected to both battery banks * Remote battery master switches with control switch at main switch panel * Circuit breakers on all circuits * 12v voltage dropper for certain navigation and radio circuits. 220/240Volt: 11kW generator in own soundshield with water-cooled and specially silenced exhaust * Automatic fire extinguisher situated by generator * Shore support inlet * Generator/shore support change-over switch * Polarity check system * Earth leakage safety trip * Circuit breakers on all circuits * Power points in all cabins * Shaver points in all bathrooms.

Additional Description

Avonite (or similar) worktop * Ceramic 4-ring hob * Extractor fan * Combination microwave/conventional oven with grill * Twin-bowl stainless-steel sink with mixer tap * 2 side-by-side undercounter refrigerator/deepfreeze units * Icemaker * Dishwasher * Waste disposal bin * Overhead and concealed lighting * Drawers and storage cupboards.

Additional Description

* Twin fuel tanks (in N4 marine grade alloy) with interconnection system giving 800 gallons (3636 litres) capacity * Fuel fillers on port and starboard side decks * High-capacity duplex fuel filters with water traps and change-over valves, water warning sensors connected to warning lights at lower helm and audible alarm at flybridge * Remote fuel cocks in cockpit locker * Fuel gauges at main helm console. WATER SYSTEM * Water tank totalling 144 gallons (654 litres) plus 16 gallons (73 litres) hot water calorifier * Water heated by engines and 240v immersion heater * Automatic water pump with filter * Main circuit breaker at 240v switch panel * Water level gauge * Deck filler * Vacuum freshwater WC system with 60 gallon (273 Litre) holding tank, content gauge and electric overboard discharge with manual back-up system as well as dockside discharge system. FIRE EXTINGUISHERS * Automatic fire extinguishers in engine room and generator space * Hand-operated fire extinguishers (6) in owner's stateroom, port and forward guest cabins, galley, main helm and occasional cabin * Additional extinguisher fitted when optional aft cabin is specified. BILGE PUMPS * Automatic electric bilge pumps (with manual override) in engine room (2), rudder area, lazarette and forward accommodation (3 in all) * High-capacity manual bilge pump with valve system and suction points in same areas * Electric bilge pumps have controls and warning lights at main helm and warning light with audible alarm at flybridge helm.

Additional Description

POWER AND DRIVE SYSTEMS * Engine room soundproofed * High-volume air intakes * Engine room extractor fan with electronic time delay * Engine exhaust silencers and water-cooled exhausts * Solid engine beds integrally moulded with hull for strength and vibration absorption * Fore and aft engine room bulkheads integrally bonded * Engines flexibly mounted * Automatic fire extinguishers * Automatic and manual bilge pumps * Engine room lighting * Engine room access hatch and ladder * Propeller shafts in Temet with flexible shaft logs * 4-bladed Aquafoil propellers in nickel aluminium bronze * High-speed balanced rudders * Cathodic protection for sterngear * Sterngear, engines, fuel tanks, fillers etc, all electrically bonded * Hydraulic power-assisted steering system * Hydraulic engine and gear shift controls (electronic optional) * Bow thruster (11hp) with dual-station controls * Freshwater supply point in engine room.

Additional Description

* Modified deep V with moulded spray rails and incorporating propeller tunnels for improved propulsive efficiency and reduced draft * Hand-laid glass-fibre construction with isophthalic gelcoat backed by initial lay-up of powder-bound matt and isophthalic resin * Integrally bonded girder stiffening system * Hull antifouled *
