Additional Information

Built to ABS 100 category this striking yacht is a custom built high quality development of the successful MacGregor 65 design with a teak finished interior, teak & holly deck soles and leather seating. There is an extended aft section providing huge lazarette storage and a unique sun lounging area. She was completed regardless of cost and has an excellent inventory of equipment and comprehensive high-tech navigation instrumentation. The yacht completed her maiden voyage across the Pacific in 2003, achieving speed up to 21 knots under sail. She is in immaculate and fully operational condition; for immediate sale due to owners' change of plans.
