ASIA MARINE - THAILAND's NEW BALI DEALERSHIP

Jump the queue.....arriving in late 2019

The BALI 4.1 is the first sailing catamaran, totally bridged from its bows to its back boards, offering a fully open and ergonomic living space.

It also offers a large front cockpit with sunbeds replacing the traditional trampoline, a relaxation area on the breathtaking roof, a platform connecting the two rear skirts with a large bench and a general comfort, worthy of a large catamaran.

2019 BALI 4.1

The unique cockpit door fully opens up the cockpit/saloon space, and along with windows in the windscreen and on port and starboard sides, the living space is huge and very airy.

This is the 4 cabin version, ideal for private use or chartering.

BALI catamarans pride themselves on seaworthiness and sailing performance and their complete range are fitted with reliable YANMAR engines.

BALI has arrived in Thailand!
