This 23m Leopard from the Cantiere Arno shipyard, is a very well equipped Italian motor yacht, which underwent a refit in Phuket in 2018.

Included in the refit was a rebuild of the starboard engine, new paintwork above the waterline, new teak decks, anti fouling and zincs, new bikinis, updated hydraulics, generator and a/c servicing and more.

Now she looks like new and is priced to sell, well under her current market value.

Make an appointment to view her today, she won't disappoint.
