2006 SUNSEEKER MANHATTAN 50

The Sunseeker Manhattan 50 is designed for luxury cruising and offers performance and handling to match that of a traditional Sunseeker sports boat. Sunseekers are designed to provide a high level of excitement and performance, while delivering a high degree of acceleration and maneuverability.

The Manhattan 50 cruises safely and efficiently with exceptional handling from her Don Shead designed hull and tons of power provided by twin 800 hp diesel engines. This boat features the latest in navigation equipment and offers the convenience of twin helms with matching data and controls on both.

RAWIN has undergone a full refit, from interior fabrics and carpets all replaced, sound system upgraded and much more.

The yacht was also moved up into dry dock where she had all her through hull fitting wither replaced or checked for integrity. The hull was stripped back and checked for osmosis then primed for 2 coatings of antifouling. Some of the other works were the windscreen removed and reset in position insuring no leakage in any wares forward.

There is not a Manhattan 50 of this caliber on the market anywhere.
