Current Price : 90,000 EUR

Year : 2007

Located in : Phuket, Thailand

Hull Material : Fiberglass

Engine/Fuel Type : Single diesel

YW# : 58089-1857604

The hanse 400 was the European Yacht of the Year 2006. Accommodation holds up to 6 people in 3 double cabins. Fun, safety, performance and quality are the watchwords from Hanse Yachts. High speed potential, great sailing characteristics, a generous list of standard equipment and easy handling. She has an extremely elegant interior, beautiful woodwork. Sailing performance is her most notable feature. With a large main that can be effectively reefed, and a self tacking headsail, she is an easy large boat that really sails well. She is perhaps the only boat of her size where all the sheets can be trimmed from the helm, allowing one person to sail her with ease. Let your crew do what they enjoy, while you enjoy the feel of the roller bearing steering system with finger tip control. Safety and navigation equipment includes fire extinguishers, first aid kit, life vests, GPS, autopilot, VHF radio, wind instruments, and depth sounder.
