LA NUMERO UNO - PERINI 131 FT

SAILING

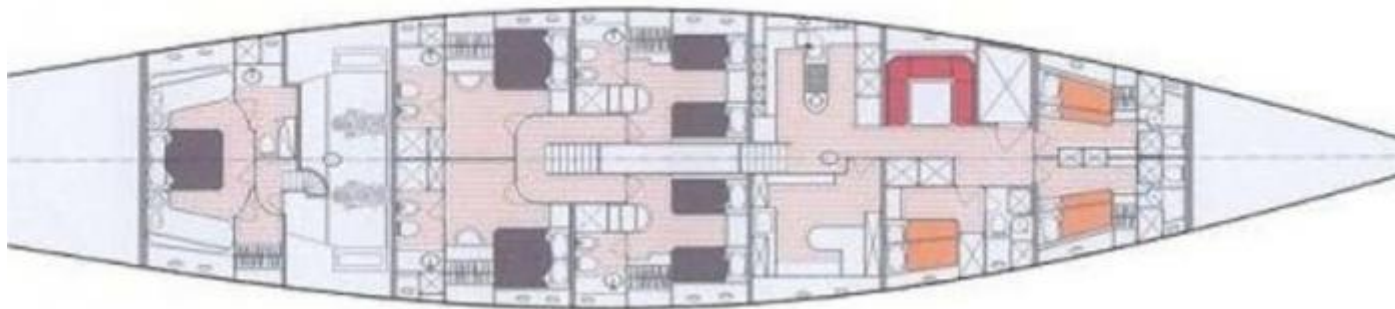

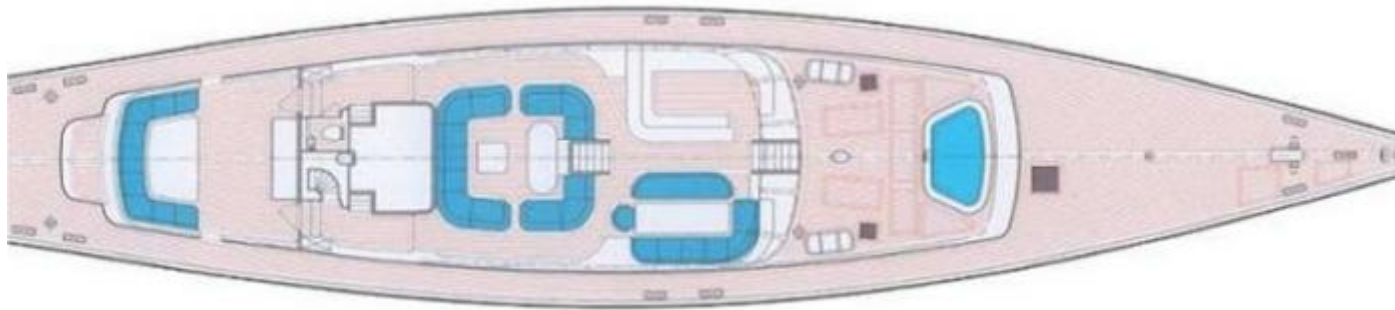

LA NUMERO UNO (Ex CLAN VI) is luxury yacht that was completely refitted in 2014 and can accommodate 12 guests in 5 comfortable cabins. She has entered the twenty-first century with the most advanced technology, accommodations and toys required by the most discerning sailors.

“La Numero Uno” was the first yacht to be constructed at the Italian high-class shipyard Perini Navi, which became world-famous for its élite superyachts such as The Maltese Falcon.

When she was launched, LA NUMERO UNO was also the first fully automated superyacht ever fitted with a ballasted swing keel that retracts into a shallow fixed keel and is raised by an electric winch. True to form, she has circumnavigated the globe and merges innovative design, cutting-edge technology and graceful lines to provide a world-class sailing experience. After a complete refit in 2014, she has been restored to immaculate, stylish elegance.
