

FOR CHARTER / OVERNIGHT

BAVARIA 45

MONOHULL

Launched in 2011, this Bavaria Cruiser 45, designed in conjunction with Farr Yacht Design and BMW Designworks USA, is a treat for yourself and your crew. The modern hull design offers maximum room volume and the twin rudder system offers great performance.

The bathing platform spans nearly over the total beam and transforms into a helmsman seat when closed. Very large and sociable cockpit, flush hatches, huge interior volume with 2.06m headroom in saloon. She comes with a four double cabin layout: the two aft doubles offer ensuite shower/toilets while the two forward doubles share one separate toilet with basin on starboard side and separate shower room on port side. The yacht comes with all the high end features of Elite Yachting's fleet, including, RIB dinghy on davits with 4 stroke low emission outboard engine, fully battened mainsail, lazy bag, autopilot, wind instruments, GPS plotter at the helm, 230V inverter, solar panels to keep the fridge running all day while sailing, huge bimini covering the area from the helmsman seat to the companionway, gennaker (option) and more.
