The flybridge on the other hand is far from secluded. Undoubtedly this yacht's centrepiece, it's just one of the many refinements that make this magnificent motoryacht demand attention in any waters.

RAWIN II has undergone a refit during the off season in 2019, which saw all the interior finishings changed and upgraded. During the refit the yacht was dry docked and had all her underwater gear checked or replaced. She also received a new coating of antifouling.
