Year : 2020

Located in : Sakai Ku, Japan

Hull Material : Fiberglass

Engine/Fuel Type : Twin / diesel

YW# : 58089-3653505

Current Price:

US\$ 3,500,000 Tax Not Paid

Immediately striking in appearance thanks to a plumb bow design, the first hull of the Horizon V68 was extremely well received during her West Coast debut at the Newport Boat Show in April 2018.

Large open spaces, wide side decks and a voluminous interior that takes advantage of a 19'6" beam along with large windows throughout the main deck and cabins — invited onlookers to step aboard and stay for closer inspection.

Stimson Yachts of New Zealand designed the hull, which features a unique vertical bow that affords a

# 2020 HORIZON V68

generous beam and reduces drag at lower, displacement speeds. Optimized by a shallow 5'-7 1/2" draft and powered by twin Caterpillar C18 ACERTs of 1,136 hp each, the V68 reaches a top speed of 25 knots. The larger hull beam not only makes for greater stability and increased interior spaces, but also provides a superior cruising experience.

Customization is a special feature of the V68, and owners are given the choice of at least two major layout options for each deck. With regards to accommodations, the V68 offers a three or four-cabin layout with a private and spacious master suite located midship. Outfitted in dark walnut wood accented by light neutrals, the stylish interior of V68 hull two lends a sense of elegance and comfort.

The master stateroom is truly a luxurious retreat, featuring a king-size bed, a well-planned ensuite fitted in Statuario Venato marble features separate toilet and shower areas as well as floating cabinets with dual basins, and is hidden behind a sliding door that features electric polyvision glass - with the touch of a button, this glass goes from clear to frosted. A walk-in closet to starboard and plenty of storage further augment this space.

Optional quarters for crew are situated aft. On the main deck, the design emphasizes unobstructed views to enhance the feeling of spaciousness with an open salon that flows into a large joined galley and country kitchen; the main deck can also be configured with a country kitchen or lower helm forward. A long bar is incorporated in the flybridge, and the aft deck hosts a mini bar as well.

## Additional Specs, Equipment and Information:

### Dimensions

LOA: 73 ft 3 in

Beam: 19 ft 5 in

LWL: 66 ft 1 in

Maximum Draft: 5 ft 6 in

Dry Weight: 109635 lbs

### Engines

Total Power: 2272 HP

Engine 1:

Engine Brand: Caterpillar

Engine Model: C18A

Engine Type: Inboard

Engine/Fuel Type: Diesel

Engine Power: 1136 HP

Engine 2:

Engine Brand: Caterpillar

Engine Model: C18A

Engine Type: Inboard

Engine Power: 1136 HP

# 2020 HORIZON V68

## Manufacturer Provided Description

Copious large yacht features ingeniously fitted within a manageable owner/operator framework – this is the cornerstone of the new Horizon V68 motoryacht model. Created in collaboration with world-renowned designer Jonathan Quinn Barnett, the V68 has been planned throughout with spacious accommodations, wide side decks, and a voluminous interior on a 19'6" that takes advantage of large windows in the main deck and cabins. She offers a flexible three or four stateroom layout, with optional crew quarters aft, as well as various configurations for all three decks including open and enclosed bridge. The V68's plumb bow design – a striking feature from Stimson Yachts' hull design – allows for a longer waterline and reduces drag at lower, displacement speeds; the larger hull beam also makes for greater stability when it counts most. Ideal for first or second-time buyers, families and owner/operators, the Horizon V68 luxury motoryacht provides the qualities of a superyacht – safety, solid architecture, and customization – all in under 70 feet.
