500 FLY

The 500 Fly offers flexibility with cockpit arrangements. Choose between a full-sized garage with a sundeck on top, a classic L-shaped sofa and crew cabin setup or the innovative roto-seat option that includes a compact garage. Best of all – all three will let you take full advantage of the unique beach mode that extends the width of the cockpit to a stunning 6 meters by dropping down both the port and starboard sides.

The bow rest area comes with a transformable seating arrangement – a first for a yacht in this segment. A swift, automated system will quickly alter the sundeck into a comfortable seating area and auto-level it to a proper position. An optional, soft top bimini is also available for extra protection. Up top, the sizable flybridge can be fitted with a wet bar, sundecks and a second helm station for easier maneuvering. With two different garage options and a powerful hydraulic bath platform you can choose between a variety of engaging water paraphernalia.

SPECIFICATIONS

- Length overall [m] 16,20
