

FOR CHARTER / OVERNIGHT

Leopard 43-S

CATAMARAN

This boat is brand new, and gorgeous - for day cruises she can take up to 15 passengers, (maybe a few more)

This boat has an excellent crew of three.

Our favourite and most popular cruise is to Maithon island, where the waters are crystal clear, the snorkelling good and there is a pod of Dolphins. The crew will inflate the big slide from the top deck, and the floating jacuzzi. There are kayaks and fishing gear, snorkelling equipment and a Snuba set. There is good music and you can plug in your own device, and we have Wifi too.
