# Heesen 129

MOTOR YACHT

Built in 2001, by the prestigious Heesen Shipyard, the vessel is a top Dutch build pedigree full displacement super yacht, renowned for her magnificent sleek lines, timeless elegance and luxurious living areas.

The Heesen 129 has embarked on a total refit in 2019, complete with new paint work, as well as a total interior and exterior refurbishment. True to her build, vessel was designed with luxury and comfort in mind. All our five staterooms—consisting of one full-beam Owner’s suite on the main deck, as well as two full-beam VIP staterooms and two twins on the lower deck—have a beautiful and luxurious design, complete with en-suite bathrooms and hostess call buttons.

Under the excellent stewardship of their experienced captain, the team of the Heesen 129 strive to surpass our guests' every expectation. Whether you choose to relax on one of our three beautifully outfitted decks, enjoy fresh culinary delights on any of our four different indoor and outdoor dining options, or take advantage of our brand new Gym, the Heesen has something to offer every discerning guest. We are especially excited about our brand new custom netted lap pool and fully refurbished beach club, which will enable our guests to experience the pleasures of a private pool in the midst of the beautiful open sea.
