

FOR CHARTER / OVERNIGHT

Vitters 92

SAILING

SY Aphrodite was built for luxury and comfort. She combines the qualities of a high-performance boat with elegant and comfortable cruising: Aphrodite is a true blue-water sailing yacht.

Aphrodite is based in the Anambas Islands, in Indonesia. With azure waters, secluded anchorages, and vibrant coral reefs, these untouched islands offer a paradise for sailors.

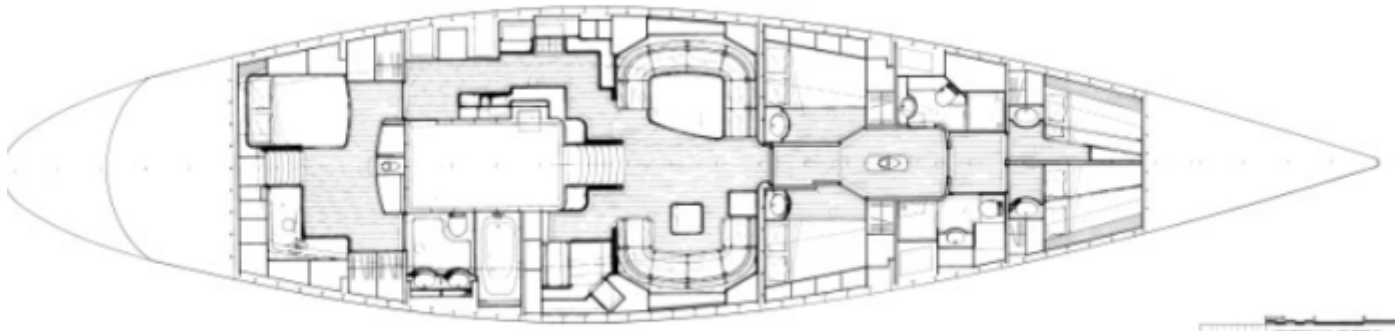

Explore hidden coves, encounter friendly locals in fishing villages, and indulge in delicious seafood. Hike through lush jungles and discover hidden waterfalls. All just a one hour flight away from Singapore.

Aphrodite has a large deck area which has two cockpits: an aft cockpit for steering and sail handling and a spacious center cockpit for guests with a table seating 8 people, a built-in fridge and a sizable bimini top for mid-day shade.

Toys on board include snorkelling and diving equipment, kayak, stand up paddle board and fishing equipment.

This is a truly unique destinations which cannot be missed for those who have a sense of adventure.
