FOR CHARTER / OVERNIGHT

Bavaria 46

MONOHULL

The Bavaria Cruiser 46 is the complete package: fresh innovation, proven quality marine hardware, plus strong structural construction - all beautifully finished.
The 3-cabin version offers more space, more comfort and is as effortless to handle with limited crew. She has balanced sailing and maneuvring properties and impressive speed.
She comes with a huge specification - including extra water tanks, fully battened main with lazy bag, bow thruster, navigation package including autopilot and chartplotter in the cockpit, Fusion marine audio system, davits, solar cells, huge bimini & sprayhood. Gennaker gear is available as an optional extra.
Her design features sleek, modern exteriors with a broad, inviting cockpit and a full-width lowering transom / swim platform. Below, generous port lights and hatches fill the salon with light, complementing the luxurious interiors.
She offers 3 double cabins, 3 toilets and 3 showers, all en suite, and the master suite has it’s own separate shower room to port.
